TO UTILITY PROVIDERS, (II) ESTABLISHING PROCEDURES FOR
DETERMINING ADEQUATE ASSURANCE OF PAYMENT FOR FUTURE
UTILITY SERVICES, AND (III) PROHIBITING UTILITY PROVIDERS
FROM ALTERING, REFUSING, OR DISCONTINUING UTILITY SERVICE**

TO THE HONORABLE ROBERT D. DRAIN,
UNITED STATES BANKRUPTCY JUDGE:

Sears Holdings Corporation and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**” and, together with their non-debtor affiliates, the “**Company**”), respectfully represent in support of this motion (the “**Motion**”):

Background

1. On October 15, 2018 (the “**Commencement Date**”), each of the Debtors commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee, examiner, or statutory committee of creditors has been appointed in these chapter 11 cases.

2. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

3. Additional information regarding the Debtors’ business, capital structure, and the circumstances leading to the commencement of these chapter 11 cases is set forth in the *Declaration of Robert A. Riecker Pursuant to Rule 1007-2 of Local Bankruptcy Rules for*

Southern District of New York, sworn to on the date hereof (the “**Riecker Declaration**”) (ECF No. 3).²

Jurisdiction

4. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334, and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.). This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

5. By this Motion, the Debtors request, pursuant to sections 105(a) and 366 of the Bankruptcy Code, entry of an order (i) approving the Debtors’ proposed form of adequate assurance of payment to Utility Providers (as defined herein), (ii) establishing procedures for determining adequate assurance of payment for future utility services, and (iii) prohibiting Utility Providers from altering or discontinuing utility service on account of outstanding prepetition invoices.

6. A proposed form of order granting the relief requested in the Motion is attached hereto as **Exhibit A** (the “**Proposed Order**”).

The Debtors’ Utilities

A. Utility Providers

7. In the ordinary course of their businesses, the Debtors incur utility expenses in connection with the use of various utility services, including electricity, natural gas, water, sewage, and telecommunications. The Debtors have approximately 6,500 accounts with

² Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Riecker Declaration.

utility providers (collectively, the “**Utility Providers**”) who provide services to the Debtors. A list of the Debtors’ Utility Providers (the “**Utility Service List**”) and the proposed Adequate Assurance Deposit (as defined herein) for each such Utility Provider, is attached hereto as **Exhibit B.**³

8. On average, the Debtors spend approximately \$24.7 million each month on utility costs and estimate that, as of the Commencement Date, approximately \$27.1 million worth of utility costs are outstanding.

9. Preserving utility services on an uninterrupted basis is essential to the Debtors’ ongoing operations and restructuring process. Indeed, any interruption in utility services—even for a brief period of time—would seriously disrupt the Debtors’ ability to continue operations and service their customers. This disruption would adversely impact customer relationships and would result in a decline in the Debtors’ revenues. Such a result could seriously jeopardize the Debtors’ restructuring efforts and, ultimately, creditor recoveries. Therefore, it is critical that utility services continue uninterrupted during these chapter 11 cases.

B. Proposed Adequate Assurance

10. The Debtors intend to pay postpetition obligations owed to the Utility Providers in a timely manner. The Debtors expect that cash flows from operations, cash on hand, and the proceeds of their debtor-in-possession financing facilities (the “**DIP Facilities**”) will be sufficient to pay postpetition obligations related to their utility services in the ordinary course of business.

³ The Debtors reserve the right to amend or supplement the Utility Service List to include any Utility Provider omitted. The inclusion of any entity on the Utility Service List is not an admission that such entity is a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve the right to contest any such characterization in the future.

11. Furthermore, the Debtors propose to deposit into a segregated, interest bearing bank account (the “**Adequate Assurance Account**”) a sum equal to two weeks’ worth of the average utility cost for each Utility Provider (less any amounts already on deposit or supported by a letter of credit with any such Utility Provider that exceed outstanding prepetition amounts owed to such Utility Provider),⁴ based on the Debtors’ average usage for the prior twelve months (collectively, the “**Adequate Assurance Deposit**”). The Adequate Assurance Deposit may be increased or decreased by the Debtors if the Debtors terminate services with any of the Utility Providers, make other arrangements with certain Utility Providers for adequate assurance of payment, determine that an entity listed on the Utility Service List is not a utility company as defined by section 366 of the Bankruptcy Code, supplement the Utility Service List to include additional Utility Providers.⁵ As of the Commencement Date, the Debtors estimate the Adequate Assurance Deposit will total approximately \$9.24 million.

12. Although the Adequate Assurance Deposit will be placed into a single bank account, two weeks’ worth of estimated utility costs will be separately allocated for, and payable to, each Utility Provider. Specifically, if the Debtors fail to pay a utility bill when due (including the passage of any cure period), the relevant Utility Provider shall provide notice of such default to the Debtors. If within five (5) business days of the Debtors’ receipt of such notice, the bill is not paid, the Utility Provider may file an application with the Court certifying

⁴ To the extent any deposits or letters of credit with any Utility Provider are in excess of two weeks’ worth of the average utility cost, the Debtors reserve their right to apply such amounts to charges for postpetition services.

⁵ The Debtors propose that the Adequate Assurance Deposit automatically, without further Court order, be available to the Debtors upon the earlier of (i) the Debtors’ payment in full of all postpetition obligations due and owing to the applicable Utility Provider, (ii) the Debtors’ termination of services with a Utility Provider, or (iii) the conclusion of these chapter 11 cases, if not applied earlier.

that payment has not been made and requesting the amount due up to the Adequate Assurance Deposit allocable to such Utility Provider.

13. The Debtors submit that the Adequate Assurance Deposit, cash flow from operations, cash on hand, and the proceeds of their DIP Facilities (collectively, the “**Proposed Adequate Assurance**”) demonstrate the Debtors’ ability to pay for future utility services in the ordinary course of business and constitutes sufficient adequate assurance to the Utility Providers.

C. Proposed Adequate Assurance Procedures

14. The Debtors intend to implement the Proposed Adequate Assurance utilizing the procedures described below and set forth in more detail on **Exhibit 1** annexed to the Proposed Order (the “**Adequate Assurance Procedures**”):⁶

- a. The Debtors will fax, e-mail, serve by overnight mail, or otherwise expeditiously send a copy of this Motion and the order by the Court granting this Motion, which include the Adequate Assurance Procedures, to each Utility Provider within three (3) business days after entry of the order by the Court granting this Motion.
- b. The Debtors will deposit the Adequate Assurance Deposit in the Adequate Assurance Account within five (5) business days of entry of the order by this Court granting the Proposed Order; *provided that*, to the extent any Utility Provider receives any other value from the Debtors as adequate assurance of payment, the Debtors may reduce the Adequate Assurance Deposit maintained in the Adequate Assurance Account by such amount.
- c. The portion of the Adequate Assurance Deposit attributable to each Utility Provider shall be returned to the Debtors on the earlier of (i) the Debtors’ payment in full of all postpetition obligations due and owing to the applicable Utility Provider, (ii) the Debtors’ termination of services with a

⁶ To the extent that there are any discrepancies between this Motion and the Adequate Assurance Procedures, the Adequate Assurance Procedures control in all respects. Capitalized terms used but not otherwise defined in the following summary shall have the meanings ascribed to such terms in the Adequate Assurance Procedures.

Utility Provider, or (iii) the conclusion of these chapter 11 cases, if not applied earlier.⁷

- d. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments or otherwise must serve a request for additional assurance (an “**Additional Assurance Request**”) so that it is received at the following addresses: (i) Sears Holdings Corporation, 3333 Beverly Road, Hoffman Estates, Illinois 60179 (Attn: Stephen Sitley); (ii) proposed counsel for the Debtors Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Jacqueline Marcus, Esq. and Jessica Liou, Esq.) and Weil, Gotshal & Manges LLP, 200 Crescent Court, Suite 300, Dallas, Texas 75201 (Attn: Jeri Leigh Miller, Esq.); (iii) counsel for the DIP ABL Agent, Skadden, Arps, Slate, Meagher & Flom LLP, 4 Times Square, New York, New York, 10036 (Attn: Paul D. Leake, Esq., Shana A. Elberg, Esq., and George R. Howard, Esq.); and (iv) Office of the United States Trustee for Region 2 at 201 Varick Street, Suite 1006, New York, New York 10014 (Attn: Paul Schwartzberg, Esq. and Richard Morrissey, Esq.) (collectively, the “**Adequate Assurance Notice Parties**”). The Additional Assurance Request must be sent to all of the above Adequate Assurance Notice Parties to be deemed valid.
- e. Any Additional Assurance Request must (i) be made in writing, (ii) set forth the location for which utility services are provided, (iii) include a summary of the Debtors’ payment history relevant to the affected account(s), including the amounts of any security deposits, and (iv) set forth why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- f. Any Additional Assurance Request must be made and actually received by all the Adequate Assurance Notice Parties listed above by no later than twenty (20) days after entry of the by the Court granting this Motion, or such greater period as may be agreed to by the Debtors and the relevant Utility Provider. If a Utility Provider fails to file and serve a timely Additional Assurance Request, it shall be: (i) deemed to have received adequate assurance of payment satisfactory to such Utility Provider in compliance with section 366 of the Bankruptcy Code; and (ii) forbidden to discontinue, alter, or refuse service to, or discriminate against, the Debtors on account of any unpaid prepetition charges, or require additional assurance of payment other than the Proposed Adequate Assurance.
- g. Upon the Adequate Assurance Notice Parties’ receipt of any Additional Assurance Request at the addresses set forth above, the Debtors shall have

⁷ In the event that a Utility Provider has more than one account with the Debtors, then, upon termination of an account by the Debtors, only that portion of the Adequate Assurance Deposit attributable to such account will be returned.

the greater of (i) twenty (20) days from the receipt of such Additional Assurance Request and (ii) thirty (30) days from entry of the order of the Court granting this Motion (the “**Resolution Period**”) to negotiate with such Utility Provider to resolve such Utility Provider’s Additional Assurance Request, or such greater period as may be agreed to by the Debtors and the relevant Utility Provider.

- h. The Debtors may, in their sole discretion, resolve any Additional Assurance Request by mutual agreement with the Utility Provider and without further order of the Court, and may, in connection with any such agreement, in their sole discretion, provide a Utility Provider with additional adequate assurance of future payment, including but not limited to cash deposits, prepayments or other forms of security, without further order of this Court if the Debtors believe such additional assurance is reasonable.
- i. If the Debtors determine that the Additional Assurance Request is not reasonable and are not able to reach a resolution with the Utility Provider during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will request a hearing before this Court to determine the adequacy of the Debtors’ assurances of payment with respect to a particular Utility Provider (the “**Determination Hearing**”) pursuant to section 366(c)(3) of the Bankruptcy Code.
- j. Pending resolution of such dispute at the Determination Hearing, the relevant Utility Provider shall be prohibited from discontinuing, altering, or refusing service to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Proposed Adequate Assurance.
- k. Absent compliance with the procedures set forth in the Motion and this Order, the Debtors’ Utility Providers are prohibited from altering, refusing or discontinuing service on account of any unpaid prepetition charges and are deemed to have received adequate assurance of payment in compliance with section 366 of the Bankruptcy Code.

D. Subsequent Modifications

15. The Debtors have made an extensive and good-faith effort to identify all of their Utility Providers and include them on the Utility Service List. Nonetheless, to the extent that the Debtors subsequently identify additional Utility Providers, the Debtors seek authority, in their sole discretion, to amend the Utility Service List to add or remove any Utility Provider before or after entry of the order by the Court. The Debtors further request that the Court’s order

be deemed to apply to any such subsequently identified Utility Provider, regardless of when such Utility Provider is added to the Utility Service List. The Debtors will serve a copy of this Motion and order on any such Utility Provider subsequently added to the Utility Service List and deposit two weeks' worth of estimated utility costs in the Adequate Assurance Account for the benefit of such Utility Provider (less any amounts on deposit or supported by an existing letter of credit with any such subsequently added Utility Provider that exceed any outstanding prepetition amounts owed to such Utility Provider). Subsequently added Utility Providers shall have twenty (20) days from the date of service of the order to make an Adequate Assurance Request.

16. Any Utility Provider subsequently added to the Utility Service List that objects to the entry of the order must file an objection in accordance with the Bankruptcy Rules, the Local Bankruptcy Rules for the Southern District of New York, and the Adequate Assurance Procedures.

17. The Debtors request that all Utility Providers, including Utility Providers subsequently added to the Utility Service List, be prohibited from altering, refusing or discontinuing utility services to the Debtors absent further order of the Court.

The Relief Requested Should Be Granted

18. For the reasons set forth below, the Utility Providers will be adequately assured of payment for future services by the relief requested herein. Congress enacted section 366 of the Bankruptcy Code to protect debtors from utility service cutoffs upon a bankruptcy filing while providing utility companies with adequate assurance that debtors would pay for postpetition services. *See* H.R. Rep. No. 95-595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N. 5963, 6306. Accordingly, section 366 of the Bankruptcy Code protects debtors by prohibiting utilities from altering, refusing or discontinuing services to a debtor solely on account of unpaid

prepetition amounts for a period of 30 days after a chapter 11 filing. At the same time, section 366 protects utilities by permitting them to alter, refuse or discontinue service after 30 days if the debtor has not furnished “adequate assurance” of payment in a form “satisfactory” to the utility.

19. Amendments to the Bankruptcy Code did not abrogate the bankruptcy court’s ability to determine the amount of adequate assurance necessary or change the fundamental requirement that assurance of payment simply must be “adequate.” Thus, while section 366(c) of the Bankruptcy Code limits the factors a court may consider when determining whether a debtor has provided adequate assurance of payment, it does not limit the court’s ability to determine the amount of payment necessary, if any, to provide adequate assurance. Section 366(c) of the Bankruptcy Code gives courts the same discretion in determining the amount of payment necessary for adequate assurance that they previously had. *Compare* 11 U.S.C. § 366(b) (2005) (“On request of a party in interest and after notice and a hearing, the court may order reasonable modification of the amount of the deposit or other security necessary to provide adequate assurance of payment.”) *with* 11 U.S.C. § 366(c)(3)(A) (2005) (“On request of a party in interest and after notice and a hearing, the court may order modification of the amount of an assurance payment under paragraph (2).”).

20. In addition, it is well established that section 366(b) of the Bankruptcy Code permits a court to find that no adequate assurance deposit at all is necessary to provide a utility with adequate assurance of payment. *See Va. Elec. & Power Co. v. Caldor Inc.*, 117 F.3d 646, 650 (2d Cir. 1997) (“Even assuming that ‘other security’ should be interpreted narrowly, . . . a bankruptcy court’s authority to ‘modify’ the level of the ‘deposit or other security’ provided for under § 366(b), includes the power to require ‘no deposit or other security’ where none is necessary to provide a utility supplier with ‘adequate assurance of payment.’”). This

principle may be applicable in cases where the debtor has made prepetition deposits or prepayments for services that utility providers ultimately will render postpetition. *See* 11 U.S.C. § 366(c)(1)(A)(v) (recognizing a prepayment for postpetition services as adequate assurance). Accordingly, courts may exercise their discretion in determining the adequacy of assurance payments and even whether such payments are necessary at all.

21. Finally, section 366(c), only requires that a utility’s assurance of payment be “adequate.” Courts recognize that adequate assurance of performance does not constitute an absolute guarantee of a debtor’s ability to pay. *See, e.g., In re Steinebach*, 303 B.R. 634, 641 (Bankr. D. Ariz. 2004) (“Adequate assurance of payment is not, however, absolute assurance . . . ‘a Bankruptcy Court is not required to give a utility company the equivalent of a guarantee of payment, but must only determine that the utility is not subject to any unreasonable risk of non-payment for postpetition services.’”) (quoting *In re Adelpia Bus. Solutions, Inc.*, 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002)); *see also In re Caldor, Inc.*, 199 B.R. 1, 3 (S.D.N.Y. 1996) (section 366(b) “does not require an ‘absolute guarantee of payment’”) (citation omitted), *aff’d sub nom. Va. Elec. & Power Co.*, 117 F.3d 646.

22. Courts also have recognized that, in determining the requisite level of adequate assurance, bankruptcy courts should “focus ‘upon the need of the utility for assurance, and to require that the debtor supply *no more than that*, since the debtor almost perforce has a conflicting need to conserve scarce financial resources.’” *Va. Elec. & Power Co.*, 117 F.3d at 650 (emphasis in original); *see also In re Penn. Cent. Transp. Co.*, 467 F.2d 100, 103–04 (3d Cir. 1972) (affirming bankruptcy court’s ruling that utility deposits were not necessary where such deposits likely would “jeopardize the continuing operation of the [debtor] merely to give further security to suppliers who already are reasonably protected”). Accordingly, demands by a

Utility Provider for a guarantee of payment should be refused when the Debtors' specific circumstances already afford adequate assurance of payment.

23. Based upon the foregoing, the Debtors believe that most, if not all, of their Utility Providers have adequate assurance of payment even without the Adequate Assurance Deposit. The Debtors anticipate having sufficient resources to pay, and intend to pay, all valid postpetition obligations for utility services in a timely manner. In addition, the Debtors' reliance on utility services for the operation of their business and preservation of value of their assets provides them with a powerful incentive to stay current on their utility obligations. These factors, which the Court may consider when determining the amount of any adequate assurance payments, justify finding that the Debtors are not required to make any additional adequate assurance payments in these chapter 11 cases. In light of the foregoing, the Debtors respectfully submit that the Proposed Adequate Assurance is more than sufficient to assure the Utility Providers of future payment.

24. Absent the approval of the Adequate Assurance Procedures, Utility Providers could discontinue service, without warning, thirty (30) days from the Commencement Date, if they claim they have not yet received a "satisfactory" adequate assurance payment. Under the Adequate Assurance Procedures, in order to eliminate such uncertainty, any Utility Provider that fails to file a timely Additional Assurance Request shall be deemed to consent to the Adequate Assurance Procedures and shall be bound by the order by the Court granting this Motion. *See In re Syroco, Inc.*, 374 B.R. 60, 62 (Bankr. D.P.R. 2007) (a utility provider's lack of objection, response or counter-demand after receiving notice of hearing on utilities motion, notice of interim order and notice of final hearing constitutes tacit acceptance of the debtor's

proposed two-week cash deposit as adequate assurance of payment as such term is used in section 366 of the Bankruptcy Code).

25. The Adequate Assurance Procedures are necessary for the Debtors to effectuate their chapter 11 strategy. If the Adequate Assurance Procedures are not approved, the Debtors likely will be confronted with and forced to address numerous requests by their Utility Providers at a critical point in their chapter 11 cases. Moreover, the Debtors could be blindsided by a Utility Provider unilaterally deciding—on or after the 30th day following the Commencement Date—that it is not adequately protected and, therefore, either will make an exorbitant demand for payment to continue service or discontinue providing service to the Debtors altogether. Such an outcome could seriously jeopardize the Debtors’ operations and asset values and their ability to maximize recoveries to their stakeholders.

26. Under the circumstances of these cases, the Debtors believe that the establishment of a cash reserve in a bank account, in an amount that is substantial relative to the Debtors’ average usage for the last twelve months, constitutes adequate assurance of payment under section 366(c) of the Bankruptcy Code. The Adequate Assurance Procedures also are consistent with procedures adopted in other recent chapter 11 cases. *See In re Breitburn Energy Partners LP*, Case No. 16-11390 (SMB) (Bankr. S.D.N.Y. June 16, 2016) (ECF No. 145); *In re Fairway Grp. Holdings Corp.*, Case No. 16-11241 (MEW) (Bankr. S.D.N.Y. June 1, 2016) (ECF No. 133); *In re Aéropostale, Inc.*, Case No. 16-11275 (SHL) (Bankr. did not clearly err in determining that, in light of the low risk of default given the DIP Facility, the utility providers were adequately assured payment through the [two-week] cash deposit.”).

27. In addition, the Court has the authority, pursuant to its equitable powers under section 105(a) of the Bankruptcy Code, to authorize the relief requested herein, because such relief is necessary for the Debtors to carry out their fiduciary duties under section 1107(a) of the Bankruptcy Code. Section 1107(a) of the Bankruptcy Code “contains an implied duty of the debtor-in-possession” to act as a fiduciary to “‘protect and preserve the estate, including an operating business’ going-concern value,” on behalf of the debtor’s creditors and other parties in interest. *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. S.D.N.Y. 1998) (“[U]pon filing its petition, the Debtor became debtor in possession and, through its management . . . was burdened with the duties and responsibilities of a bankruptcy trustee.”). Section 105(a) of the Bankruptcy Code empowers the Court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of” the Bankruptcy Code. 11 U.S.C. § 105(a); *see Ionosphere Clubs*, 98 B.R. at 175 (applying section 105(a) to justify an order authorizing the payment of certain prepetition wages, salaries, medical benefits, and business expense claims to debtor’s employees); *In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) of the Bankruptcy Code provides a statutory basis for the payment of prepetition claims). The Proposed Adequate Assurance and the Adequate Assurance Procedures are necessary and appropriate to carry out the provisions of the Bankruptcy Code and will ensure that the Debtors’ utility services, which are essential to their operations, are continued without prejudicing the Utility Providers.

28. Based on the foregoing, the Debtors respectfully submit that the relief requested herein is necessary and appropriate, is in the best interest of the Debtors' estates, and should be granted in all respects.

Reservation of Rights

29. Nothing contained herein is intended to be or shall be construed as (i) an admission as to the validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or, validity of any claim against the Debtors; (iii) a waiver of any claims or causes of action that may exist against any creditor or interest holder; or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, program, policy, or lease between the Debtors and any third party under section 365 of the Bankruptcy Code. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended to be and should not be construed as an admission to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

Notice

30. Notice of this Motion will be provided in accordance with the procedures set forth in the *Order Implementing Certain Notice and Case Management Procedures* (ECF No. 139) (the "**Case Management Order**"). The Debtors respectfully submit that no further notice is required.

31. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.

WHEREFORE the Debtors respectfully request entry of the Proposed Order granting the relief requested herein and such other and further relief as is just.

IT IS HEREBY ORDERED THAT:

1. The Motion is granted to the extent set forth herein.
2. As adequate assurance, the Debtors shall deposit the Adequate Assurance Deposit, as set forth in **Exhibit B** to the Motion (as may be amended or modified in accordance with the procedures described herein and in the Adequate Assurance Procedures, attached as **Exhibit 1** to this Order) into the Adequate Assurance Account, and such amount shall be

allocated for, and payable to, each Utility Provider in the amount set forth in **Exhibit B**; *provided that*, to the extent any Utility Provider receives any other value from the Debtors on account of adequate assurance, the Debtors may reduce the Adequate Assurance Deposit maintained in the Adequate Assurance Account by such amount.

3. The portion of the Adequate Assurance Deposit attributable to each Utility Provider shall be returned to the Debtors on the earlier of (i) the Debtors' payment in full of all postpetition obligations due and owing to the applicable Utility Provider, (ii) the Debtors' termination of services with a Utility Provider, or (iii) the conclusion of these chapter 11 cases, if not applied earlier.

4. The Proposed Adequate Assurance constitutes sufficient adequate assurance to the Utility Providers.

5. The Proposed Adequate Assurance is hereby approved and is deemed adequate assurance of payment as the term is used in section 366 of the Bankruptcy Code.

6. If the Debtors fail to pay a utility bill when due (including the passage of any cure period), the relevant Utility Provider shall provide notice of such default to the Debtors, and if within five (5) business days of such notice, the bill is not paid, the Utility Provider may file an application with the Court certifying that payment has not been made and requesting the amount due up to an aggregate maximum equal to the Adequate Assurance Deposit allocable to such Utility Provider.

7. The Adequate Assurance Procedures, as set forth on **Exhibit 1** attached hereto, are hereby approved in their entirety.

8. Absent compliance with the Adequate Assurance Procedures, the Utility Providers are prohibited from altering, refusing or discontinuing service on account of any

unpaid prepetition charges and are deemed to have received adequate assurance of payment in compliance with section 366 of the Bankruptcy Code.

9. Any Utility Provider may make an Additional Assurance Request in accordance with the Adequate Assurance Procedures.

10. Notwithstanding entry of this Order approving the Adequate Assurance Procedures, if there is an adverse change in the Debtors' financial condition during these chapter 11 cases, any Utility Provider may file an application with the Court requesting additional adequate assurance of future payment; *provided that*, pending resolution of such application, the relevant Utility Provider shall be prohibited from discontinuing, altering or refusing service to the Debtors on account of unpaid charges for prepetition services or on any material, adverse change in the Debtors' financial condition.

11. The Debtors are authorized, in their sole discretion, to amend the Utility Service List to add or delete any Utility Provider, and the Order shall apply to any Utility Provider that is subsequently added to the Utility Service List in accordance with the Adequate Assurance Procedures.

12. Any Utility Provider that fails to request additional assurance in accordance with the Adequate Assurance Procedures shall be deemed to consent to the Adequate Assurance Procedures and shall be bound by this Order.

13. Notwithstanding anything in the Motion or this Order to the contrary, any payment made or action taken by any of the Debtors pursuant to the authority granted herein, as well as the exercise of any and all other rights and authorizations granted or approved hereunder, shall be subject in all respects to, as applicable: (i) the orders approving the Debtors' use of cash collateral and/or post-petition debtor-in-possession financing facilities (collectively, the “**DIP**

14. To the extent there is any inconsistency between the terms of any of the DIP Orders and this Order, the terms of the DIP Order (or DIP Orders, as applicable) shall control.

15. Nothing contained in the Motion or this Order or any payment made pursuant to the authority granted by this Order is intended to be or shall be construed as (i) an admission as to the validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; (iii) a waiver of any claims or causes of action that may exist against any creditor or interest holder; or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code.

16. Notwithstanding entry of this Order, nothing herein shall create, nor is intended to create, any rights in favor of or enhance the status of any claim held by, any party.

18. The Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and/or enforcement of this Order.

York (the “**Bankruptcy Court**”). On October 18, 2018, the Debtors filed the *Motion of Debtors Requesting Entry of an Order (I) Approving Debtors’ Proposed Form of Adequate Assurance of Payment to Utility Providers, (II) Establishing Procedures for Determining Adequate Assurance of Payment for Future Utility Services, and (III) Prohibiting Utility Providers from Altering, Refusing, or Discontinuing Utility Service* (ECF No. [___]) (the “**Motion**”). On [____] the Bankruptcy Court entered an order granting the relief requested in the Motion (ECF No. [___]) (the “**Order**”), which is summarized herein.

Absent compliance with the procedures set forth herein and in the Order, the Debtors’ utility providers (the “Utility Providers”) are prohibited from altering, refusing or discontinuing service on account of any unpaid prepetition charges and are deemed to have received adequate assurance of payment in compliance with section 366 of the Bankruptcy Code.

A. Proposed Adequate Assurance

1. The Debtors will deposit the amount set forth in **Exhibit B** to the Motion (as may be amended or modified in accordance with the procedures described herein or in the Order) (the “**Utility Service List**” and, the amount set forth for deposit therein, the “**Adequate Assurance Deposit**”) into a segregated, interest bearing bank account (the “**Adequate Assurance Account**”). This amount represents a sum equal to two weeks’ worth of the average utility cost for each Utility Provider (less any amounts already on deposit or supported by a letter of credit with any such Utility Provider that exceed outstanding prepetition amounts owed to such Utility Provider);² *provided that*, to the extent any Utility Provider receives any other value from the Debtors as adequate assurance of payment, the Debtors may reduce the Adequate Assurance Deposit maintained in the Adequate Assurance Account by such amount. The amount allocated for, and payable to, each Utility Provider shall be equal to the amount set forth on the Utility Service List as to each Utility Provider or as otherwise agreed.

B. Adequate Assurance Procedures

2. The Debtors will fax, e-mail, serve by overnight mail, or otherwise expeditiously send a copy of the Motion and the Order, which include the Adequate Assurance Procedures, to each Utility Provider within three (3) business days after entry of the Order by the Bankruptcy Court.
3. The portion of the Adequate Assurance Deposit attributable to each Utility Provider shall be returned to the Debtors on the earlier of (i) the Debtors’ payment in full of all postpetition obligations due and owing to the applicable Utility

² To the extent any deposits or letters of credit with any Utility Provider are in excess of two weeks’ worth of the average utility cost, the Debtors reserve their right to apply such amounts to charges for postpetition services.

Provider, (ii) the Debtors' termination of services with a Utility Provider, or (iii) the conclusion of these chapter 11 cases, if not applied earlier.³

4. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments or otherwise must serve a request for additional assurance (an "**Additional Assurance Request**") so that it is received at the following addresses: (i) Sears Holdings Corporation, 3333 Beverly Road, Hoffman Estates, Illinois 60179 (Attn: Stephen Sitley); (ii) proposed counsel for the Debtors Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Jacqueline Marcus, Esq. and Jessica Liou, Esq.) and Weil, Gotshal & Manges LLP, 200 Crescent Court, Suite 300, Dallas, Texas 75201 (Attn: Jeri Leigh Miller, Esq.); (iii) counsel for the DIP ABL Agent, Skadden, Arps, Slate, Meagher & Flom LLP, 4 Times Square, New York, New York, 10036 (Attn: Paul D. Leake, Esq., Shana A. Elberg, Esq., and George R. Howard, Esq.); and (iv) Office of the United States Trustee for Region 2 at 201 Varick Street, Suite 1006, New York, New York 10014 (Attn: Paul Schwartzberg, Esq. and Richard Morrissey, Esq.) (collectively, the "**Adequate Assurance Notice Parties**"). The Additional Assurance Request must be sent to all of the above Adequate Assurance Notice Parties to be deemed valid.
5. Any Additional Assurance Request must (i) be made in writing, (ii) set forth the location for which utility services are provided, (iii) include a summary of the Debtors' payment history relevant to the affected account(s), including any security deposits, and (iv) set forth why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
6. Any Additional Assurance Request must be made and actually received by all the Adequate Assurance Notice Parties listed above by no later than twenty (20) days after entry of the Order, or such greater period as may be agreed to by the Debtors and the relevant Utility Provider. If a Utility Provider fails to file and serve a timely Additional Assurance Request, it shall be: (i) deemed to have received adequate assurance of payment satisfactory to such Utility Provider in compliance with section 366 of the Bankruptcy Code; and (ii) forbidden to discontinue, alter, or refuse service to, or discriminate against, the Debtors on account of any unpaid prepetition charges, or require additional assurance of payment other than the Proposed Adequate Assurance.
7. Upon the Adequate Assurance Notice Parties' receipt of any Additional Assurance Request at the addresses set forth above, the Debtors shall have the greater of (i) twenty (20) days from the receipt of such Additional Assurance Request or (ii) thirty (30) days from the date of entry of the Order (collectively, the "**Resolution Period**") to negotiate with such Utility Provider to resolve such

³ In the event that a Utility Provider has more than one account with the Debtors, then, upon termination of an account by the Debtors, only that portion of the Adequate Assurance Deposit attributable to such account will be returned.

Utility Provider's Additional Assurance Request, or such greater period as may be agreed to by the Debtors and the relevant Utility Provider.

8. The Debtors may, in their sole discretion, resolve any Additional Assurance Request by mutual agreement with the Utility Provider and without further order of the Bankruptcy Court, and may, in connection with any such agreement, in their sole discretion, provide a Utility Provider with additional adequate assurance of future payment, including but not limited to cash deposits, prepayments or other forms of security, without further order of the Bankruptcy Court if the Debtors believe such additional assurance is reasonable.
9. If the Debtors determine that the Additional Assurance Request is not reasonable and are not able to reach a resolution with the Utility Provider during the Resolution Period, the Debtors, during or immediately after the Resolution Period, will request a hearing before the Bankruptcy Court to determine the adequacy of the Debtors' assurances of payment with respect to a particular Utility Provider (the "**Determination Hearing**") pursuant to section 366(c)(3) of the Bankruptcy Code.
10. **Pending resolution of such dispute at the Determination Hearing, the relevant Utility Provider is prohibited from discontinuing, altering or refusing service to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Proposed Adequate Assurance.**

C. Subsequent Modifications

11. The terms of the Order apply to any subsequently identified Utility Provider. For those Utility Providers that are subsequently added to Utility Service List, the Debtors will serve a copy of the Order on such subsequently added Utility Provider and deposit two weeks' worth of estimated utility costs in the Adequate Assurance Account for the benefit of such Utility Provider (less any amounts on deposit or supported by an existing letter of credit with any such subsequently added Utility Provider that exceed any outstanding prepetition amounts owed to such Utility Provider). Utility Providers subsequently added to the Utilities Service List shall have twenty (20) days from service of the Order to make an objection thereto.
